

## Invites you to a Grief Seminar & Candle Lighting Ceremony

For those of us who are struggling with grief due to the death of a loved one, the holiday season can be anything but merry.

It can be a time of overwhelming emotions, as well as new challenges and unrealistic expectations from family and friends.

**How do you manage the holiday season and still allow for grief?**

Join us for an informative evening.

You will have an opportunity to light a candle in memory of your loved one.
